

Chesley Brown Salutes for April 2008

Employee Salutes

“Salute” awards are presented to employees who go the extra mile in their roles within Chesley Brown International. We recognize many actions performed by officers in the normal course of a day go unnoticed. The following were recognized in this month’s Chairman’s Chat:

Security Supervisor Alex Bissing, Security Officers Marlandis Hayes, Brian Elias and Andrew Schutte – Kansas City, Missouri

The above mentioned officers and supervisor responded on an intrusion alarm and displayed exceptional team work in responding in less than 3 minutes, surrounding the location and securing the area until police could arrive and conduct an interior search of the building.

Security Officer Johnathan Herrick – Salt Lake City, Utah

A customer of The Gateway wrote "Thank you to Security Officer Johnathan Herrick! My son left the car door open & apparently Mr. Herrick locked up the car & closed the door for me. This was especially important because I had a large deposit in the car, ready for the bank, as I am the Treasurer of a non-profit organization. If that money had been stolen, I don't know what I would have done, but thanks to this gentleman, it was not. PLEASE see to it that he gets this thank you!!!"
