

## **Employee Salutes**

"Salute" awards are presented to employees who go the extra mile in their roles within Chesley Brown International. We recognize many actions performed by officers in the normal course of a day go unnoticed. The following were recognized in this month's Chairman's Chat:

On 6-25-09 at approximately one in the morning on the Country Club Plaza, two suspects attempted to break into a store by throwing a large rock through the front door. Officer Keith Nolen was down the street from the store at the time and acted quickly and professionally by giving out the problem, vehicle description and location over the radio in a calm tone. He then approached the suspects on his patrol bicycle. Upon seeing Officer Nolen, the suspects dropped the rock and fled the area without being able to obtain any merchandise.

Namman Campbell of The Legacy was issued a Salute for outstanding tenant relations. Property management has received several compliments and commended him on his efforts saying "...you are doing a good job reaching out to the tenants, we have received good compliments on your efforts. I am proud as having you part of our team"

Property management of The Legacy had rented a boom lift for the week to assist their maintenance team in replacing lights as they had no resource to reach some lights. Officer Nathan Cook took it upon himself to create a reporting system to document every light that was not working properly. His system includes a satellite photo of the site to assist maintenance with locating each light.
