Employee Salutes

“Salute” awards are presented to employees who go the extra mile in their roles within Chesley Brown International. We recognize many actions performed by officers in the normal course of a day go unnoticed. The following were recognized in this month’s Chairman’s Chat:

Director of Security Beverly Ensey at Lake Worth Towne Center was issued a Salute for her contributions in getting our new project: Lake Worth Towne Center up and running. Director of Security Naaman Campbell reports that DOS Ensey has done an excellent job in assisting him from the very start. In his nomination, DOS Campbell goes on to say that DOS Beverly Ensey has taken it upon herself to make sure each and every loose end was taken care of and has kept the project running smoothly since the inception on September 1st, 2009. Ms. Ensey is an outstanding Lieutenant and is very well liked by fellow Chesley Brown Supervisors and Officers. She knows exactly what the Chesley Brown Standard consists of and practices it herself, along with her officers each and every day.
