

Chesley Brown International, Inc., a leader in the security management industry, announces with great sorrow the passing of Security Sergeant, S.R. Williams on September 30th, 2009. To honor Sergeant William's service and dedication, Chesley Brown will retire his badge and present it to his family. Our most sincere condolences go out to his family and the Chesley Brown family that worked with him. He will be greatly missed.

S.R. began his career with Chesley Brown International, Inc in 2005. He was promoted to Corporal in 2007 and to Sergeant in 2008. Sgt. Williams received the Supervision and Leadership Certificate in June 2007.

Prior to joining the Chesley Brown family, S.R. spent 19 years with the Harris County Sheriff's Department in Houston Texas. He was a local graduate from Lincoln High School in Kansas City before enlisting in the U.S. Air Force.

Sergeant Williams was well liked by the tenants and had many friends at the properties he patrolled. S.R. was an avid golfer, who enjoyed teaching the finer points of the game to anyone who would listen. Like many Chiefs fans, he was anxiously anticipating their return to greatness.
